

Office of PROF. J. A. LAWRENCE,

88 Warren Street,

New York, Dec 6 - 1888

Mr H. P. Hall

Dear Sir: - I enclose to you my printed
recipe for the cure of Catarh, also a circular which
I would be pleased to have you read carefully
through so that you may understand the nature
of this dreadful disease. I do not know
whether you are a sufferer of Catarh or not but if
you are and wish to be entirely cured have the
recipe prepared by some honest Botanic druggist and
begin the treatment without delay. If you do
this you will with the aid of Divine Providence
be cured of this terrible disease and restored to per-
fect health. Should you desire me to prepare
my remedy to suit your case you will please fill out
the enclosed question blank and return with order.
Do not hesitate to write me any time in
case you need my advice.

Yours truly and sincerely,
J. A. Lawrence
